BRIEF ABSTRACT OF LETTER.

The words "sub proctor" should be noted in the order of Govt. 1/S.R.A. 626/13 4.8/21.3.14

NOTES AND ORDERS.

The order quoted disposes of the question of Venkatasubbiah's pay after his reversion to the Comptr's Office.

2. So far as the order now issued goes, it appears to be correct in itself as the

wording therein is capable of covering all appointments in the Comptr's office where Venket Subbiah is said to be permanently attached. The real difficulty, if any, might only arise when Venket Subbiah is actually reverted and as he is it is not clear where the difficulty actually is.

3. It is a point for order whether the order as it is might stand or the proposed amendment in the way represented by the Comptr.

SIR,

With reference to Government Order No.Fl.4303-4/S&A.267-13-4 dated 21st March 1914 sanctioning my recommendation in regard to the salary that S.R.Venkatasubbaiya, Accountant of this office, now on deputation to retrenchment committee should get after his reversion to this office, I have the honor to state that the point on which orders of Government were solicited in my letter No.4801/R.411 dated 3rd February 1914 was that his service in the Retrenchment Committee should be considered as counting for increments earned by him in his permanent as well as Sub-pro-tem appointments in this office and that he should after reversion to this office ~~to this office~~ draw the pay or salary which he would have got in the ordinary course in his permanent and Sub pro tem appointments if he had not been deputed; but in the Government Order under reference is made only to the pay or salary of the permanent appointment. I therefore request that Government will be pleased to extend the authority of this order in regard to the increments earned by him in his sub-pro-tem

Extract from the Madras Supplement to the Civil Service Regulations.

TIME UNDER SUSPENSION OR ON FOREIGN SERVICE, OR SPECIAL DUTY.

(C.S.R. - 160)

1. An officer, while temporarily employed on special duty outside his ordinary work, is debarred from counting his service on the temporary duty for increments in his permanent post. The reason for this is that, while so employed, he is not, as a rule, acquiring the additional experience for which the incremental pay of his substantive post is granted.

2. But, if such additional experience is being acquired by the service in the temporary employment, such temporary service may be allowed to count for increments in the officer's permanent post, the question whether a period of deputation should or should not be allowed to count for increments in an officer's substantive appointment is one for the decision of the local Government under whose orders the officer was placed on special duty.
